

2026 DE LA SALLE SUMMER CLUB

About the Summer Club

The De La Salle Summer Club has been created for De La Salle students in Years 3-9. For the majority of activities, Primary and Secondary students will be split into separate groups.

The hours of the school holiday programme are 8:00am to 4:00pm.

The morning sessions are based at De La Salle College and include activities with options such as 'capture the flag', '40/40', trampolining, football, cricket, table tennis and dodge ball. We will then depart from the College at approximately 11:00am to activities such as Jump Jersey, indoor climbing, inflatable sofa rides, beach activities and beach swimming.

The buses will return to De La Salle each day and your son can be collected from school between 3:30pm – 4:00pm. Alternatively, you can arrange for your son to be collected or dismissed from the afternoon activity location, which will normally be either St. Brelade's Bay or Greve De Lecq. Your son will have an opportunity to buy lunch during the day at the activity location or he can bring a packed lunch.
