NICHOLAS BELCHER, HEADTEACHER DESIGNATE

Welcome to De La Salle Pre-Reception

Starting Pre-Reception is a magical milestone; the very beginning of your son's De La Salle journey, and one we feel genuinely privileged to share with you. These early moments lay the foundations for a lifetime of curiosity, confidence, and joy in learning, and we are delighted to guide him as he takes his first small steps into school life. We hope this booklet gives you the key information you need to help ensure his start with us is calm, joyful, and exciting. If you or your child have any questions, please do ask; our expectation is a warm, open partnership between home and school.

Our learning environment is a place where every boy is known, nurtured, and celebrated. These first days and weeks are filled with opportunities for discovery, play, and wonder. One of the greatest joys of the formative years is watching our boys blossom as they grow a little braver, think a little bigger, and explore a little further each day. Their curiosity is infectious, their imaginations overflowing, and their eagerness to learn an absolute delight. These early moments; the wide-eyed questions, the joyful discoveries, the proud little triumphs begin shaping the confident, compassionate young men they will one day become.

Your son is also joining a wider Lasallian family. Across the College, older pupils model kindness, respect, and leadership in ways our youngest learners see and admire through whole-school events, shared celebrations, and the values we hold in common. They show your son that his adventure here has many exciting chapters still to come. In Pre-Reception, learning happens everywhere and in every way. From first reading adventures to science sparks and sensory surprises, to marvellous maths moments and artistic adventures bursting with colour and creativity, every experience is designed to kindle discovery, delight, and development. These playful foundations prepare your son beautifully for Reception and the confident transition into Year 1.

Families join De La Salle for many different reasons, but our hope is that you feel part of our community from the moment you walk through the gate on Wellington Road, right through to the day your son leaves us as a young man and continues his journey as Alumni. We share this pathway together, offering a faith-led education built on gentle guidance, purposeful teaching, and a strong sense of belonging.

During these early years, your son will be in the care of Mrs Hutchings and her dedicated Early Years team, and overseen by our Assistant Head in Charge of Primary, Mr White. Their warmth, experience, and passion ensure your child feels safe, joyful, and confident as he begins this adventure.

This is the start of something very special. Welcome to the De La Salle family.

WELCOME

THE SCHOOL DAY

Pre-Reception is open from 8:00 to 17:00, Monday to Friday during De La Salle term time.

As parents, you choose the hours which suit you and your son, and the hours that you choose are reviewed half termly.

The De La Salle Pre-Reception qualifies for Jersey Nursery Education Funding (of up to 30 hours per week). Additional hours are invoiced monthly at our current rate of £10.63 per hour for the Advent term. For drop-off and for collection, please come to the Pre-Reception door via the side entrance to the left of the Brother Anthony building.

Please provide for your son a named plastic water bottle, a named healthy fruit snack, and a named packed lunch (if appropriate). Please note the paragraph on Allergies in the General Information section. An additional afternoon snack is recommended for boys who stay longer hours.

OUR LEARNING

The Pre-Reception day consists of a balance of continuous provision (activities and resources which are available to the boys throughout the day to encourage social interaction and creative play) and **focused learning** activities led by our specialist staff.

Your son will follow the framework for early learning called the 'Early Years Foundation Stage' (EYFS). His progress through the framework is mapped to the developmental progression called, "Birth to 5 Matters". The journey is not a race! We ensure your son's learning experience is bespoke to him, and we work in close partnership with you, as parents, to provide for your son's needs and to ensure that he loves his time in our care.

The EYFS works on four principles which are central to our Pre-Reception provision;

A unique child; *every child is a competent learner from birth who can be resilient, capable, confident and self-assured*

Positive relationships; *children learn to be strong and independent from a base of loving and secure relationships with parents and / or a key person.*

Enabling environments; *the environment plays a key role in supporting and extending children's development and learning.*

Learning and development; *children develop and learn in different ways and at different rates and all areas of learning and development are equally important and interconnected.*

Your son will experience learning through play with wide-ranging activities planned; he may be enjoying a "dough-disco" to develop fine motor skills and strength; using the trikes and other equipment on the playground for co-ordination; painting to develop hand and finger control; singing counting songs and learning rhymes; or collaborating with others to create a junk or Duplo model. The planning for each week will always reflect the interests of the boys in our care and provide rich opportunities for development and enjoyment.

COMMUNICATION

Open, timely and clear communication with you will help to ensure the best possible care for your son.

Our Pre-Reception staff will all know your son really well and they will always be happy to talk with you at the start and end of your son's day in Pre-Reception if there are any issues that we or you need to know about. If we need more time than a quick chat, an appointment can be made.

The Pre-reception email address is prereception@dls-jersey.co.uk

Mrs Emma Hutchings is Head of Early Years and Head of Infant Department in the Brother Anthony building and Mr Mark White is the Assistant Headteacher in charge of the Primary School. Please don't hesitate to email the main College Office (college.admin@dls-jersey.co.uk) or to telephone 754100 should you wish to contact Mrs Hutchings or Mr White at any stage.

EvidenceMe

Key steps in your son's learning will be tracked using the online system. This will enable you to see the progress he has made as part of his learning journey using a secure web-based system. You will be asked to complete a consent form for Tiny Tracker.

Your contact details

Please remember to inform the College of any changes to your contact details (even where the changes are temporary). You have kindly provided confirmation of telephone numbers, addresses and emails through our Data Return Form earlier this year, and it is vital that this information is kept up to date.

Weekly Parent Briefing

A 'Parent Briefing' is sent to all parents and carers on the Friday of each week. As much as possible, you will only be sent information relevant to your son's age group. We ask all parents to ensure they read the Briefing each week, so they do not miss any important information.

ABSENCE & ILLNESS

Sometimes exceptional circumstances, such as illness, can lead to absence. On these occasions, please contact the College as early as possible to notify us through one of the methods below:

- Complete our online form at <https://www.dls-jersey.co.uk/absence/>
- Email absence@dls-jersey.co.uk

Please ensure that you send a request on each day of absence.

For any planned absence (such as a scheduled medical appointment), please also notify us at your earliest convenience through the above contact methods, providing the date and time of your son's appointment and the times that you plan to collect and return him to the College, so that the absence can be noted and authorised.

Any request for a planned absence for any other reason must be requested the same way. We will then be able to consider your request based on the information provided to decide whether the absence can be authorised.

Although attendance is important and absence can hamper progress, sick children are better off at home where they have a greater chance of rapid recovery. It also lessens the possibility of transmitting illness to others.

Boys should not return to school less than 48 hours after any incident of sickness or diarrhoea.

GENERAL INFORMATION

Toilets

Boys must be toilet trained by the time they start in Pre-Reception. Advice on toilet training can be accessed from the Family Nursing and Home Care website <https://www.fnhc.org.je/>

We understand that boys may have occasional accidents – please make sure that he has a spare set of comfortable clothes and underwear – but if it becomes a regular pattern we will need to discuss how best to support you and your son in developing his continence.

Allergies

Due to the potentially serious consequences for those with allergies and in particular those with an allergy to nuts, the school is a 'Nut Free Zone'. Please do not send nuts, or products containing nuts, in lunch boxes or for snacks.

In addition, because of the increased number of cases of nut and other allergic reactions, please do not send in birthday cakes or other edible treats that may contain nuts or nut products. This will help us greatly in reducing what is a very serious risk to some pupils and staff.

Medication

Staff cannot administer medication in school, unless in exceptional and previously agreed circumstances. If a pupil is fit to be in school but, in the view of the doctor, requires medication, please endeavour to time the doses out of school hours.

Approved inhalers and EpiPens are, of course, permitted in school but are subject to the rules of the College applying to medicines. These rules are available for viewing in the First Aid policy on the College website. If in doubt, please contact the school.

PTA (Lasallian Families Community)

We are fortunate to have a very active PTA. They are extremely successful in raising funds to support the boys, and organising fun social events for our school community. The PTA also run a Nearly New uniform shop and send out regular newsletters to all parents.

For further information about the PTA please contact pta@dls-jersey.co.uk

Traffic

We recognise that there is a considerable volume of traffic in the vicinity of the College, particularly at the start and end of each school day (between 7:45 – 8:45 and 14:40 – 15:40). A smooth flow of traffic is dependent on the co-operation of everyone. The safety of the children is paramount. School staff are on site to actively manage the traffic flow. Priority will always be given to pedestrian movement, so please be patient.

Please observe the following points:

- Please park in the visitor spaces in the lower carpark or the visitor spaces outside the De La Salle main house.
- Please walk on the pavements and paths, not on the roads.
- Drivers should respect the Zebra crossing, and always give way to pedestrians.

The hatched zone must be kept free at all times for through traffic.

PRE-RECEPTION SCHOOL UNIFORM

PLEASE MAKE SURE THAT ALL ITEMS ARE CLEARLY NAMED.

All boys are expected to wear the school uniform and present themselves smartly for school each day. De La Salle woolly hats or legionnaire-style sun-hats may be worn where appropriate (available for purchase from school).

MAIN UNIFORM

Cobalt blue V-necked sweatshirt (with De La Salle crest)
White polo shirt with logo
Dark grey shorts or trousers
Plain black shoes (Velcro fastening)
Knee length De La Salle or plain grey socks
Navy or black raincoat/waterproof (no logos please)

For wet play:

Wellington boots
A named waterproof puddle suit (boiler suit), preferably blue

You may also purchase a drawstring bag with the De La Salle logo on it. We ask that you put spare pants, socks and shorts (any dark colour) in this bag in case of any "accidents". This bag should be left at school.

In the Summer months, please ensure suncream has been applied and that boys are in weather appropriate uniform.

EARLY YEARS HOLIDAY CLUB

Outside of the school term, our Pre-Reception boys have the opportunity to join our Early Years Holiday Club.

Our Early Years Holiday Club is run by school staff during most school holiday weeks. The Early Years Holiday Club means that we are able to offer childcare 48 weeks per year.

The Holiday Club is based in school, and the focus is very much about providing a variety of fun and different activities to those the boys usually experience at school. The boys are not in uniform and the flow of the day is more relaxed with trips out, relaxation sessions, fun sports, movie afternoons and a wide range of other activities.

The Holiday Club is open from 8:00 to 15:00. The current charge for Holiday Club is £75 per day.
